

Hindustan Lever- IRIS net

JK Technosoft's Role

HLN was looking for a solution that would address the following needs.

The Application should be

- Web based
- Scaleable
- Secure
- Able to interact with Mfg/Pro seamlessly
- Cost Effective

JKT's solution addressed exactly all the above needs.

About the Company

Hindustan Lever Network (hereafter referred to as HLN) which belongs to the Hindustan Lever Limited, is one among the India's largest MLM Company with Home & Personal Care, Health, Foods and Laundry Care products. HLN has a consultant base of more than 270000 in India. HLN has 4 Branches, 41 Stock points and 200 Stockiest (termed IRIS) across India.
